

A Guide to the Paper Submission Process for IMAS 2026

1- Copyright Form:

- a) In your paper webpage, click the link in front of “Copyright” field (The blue squared-plus sign). As shown in the screenshot below

Copyright

- b) This link will guide you to the steps to fill an IEEE copyright form.
c) After following the steps in step b) above, your copyright form will be automatically uploaded to your paper on EDAS. Your “Copyright” field should be updated as follows (The date of completion will be the date you completed your copyright form):

Copyright

IEEE; IEEE completed Mar 24

2- Registration:

- a) In your paper webpage, click the link in front of “Registration” field (the blue double-notched rectangle frame). As shown in the screenshot

Registration

- b) This link will guide you through the payment steps. You will find different payment options (IEEE member, Early registration, Poster, ..etc). Choose the options that best applies to you.

Event:Option	Description	Available for	Amount	Cancellation fee	Covers how many papers?	Register
Early:Non-IEEE	Early Bird Registration	attendees who are not a member and who are authors			1	
Late:Non-IEEE	Late Registration	attendees who are not a member and who are authors			1	
Early:IEEE Member	Early Bird Registration	attendees who are a member of IEEE and who are authors			1	
Late:IEEE Member	Late Registration	attendees who are a member of IEEE and who are authors			1	
Early:Poster (Short Paper)	Early Bird Registration	attendees who are authors			1	
Late:Poster (Short Paper)	Late Registration	attendees who are authors			1	

- c) Complete the payment with your credit card

- d) After completing your registration steps, your “Registration” status should be updated as follows

Registration

Your name

has registered and paid for **Your registration option.**
